FIELD TRIPS

The field trips are designed to complement a particular lecture and are held in the week following that lecture. Registration is limited by the capacity of the places to be visited, which by special arrangement provide tours not available to the general public. Tickets for field trips are sold only to lecture-series subscribers, who may purchase one ticket to each of the five tours. The price of each tour is \$5.00. Luncheon (gratuity included) is provided on all tours. Field trips are offered on a Tuesday or a Wednesday schedule. Subscribers do not have the option of mixing or combining these schedules: ticket orders should indicate the weekday preferred, and all tours must be taken on the weekday for which the ticket is issued. *It is important to show on the order blank whether the alternate date is acceptable if the weekday you prefer is sold out.* To the extent possible, a Tuesday subscriber will be assisted in exchanging his tour ticket with a Wednesday subscriber at the time of the lecture preceding that tour. *There are no refunds on field trip tickets, and no other ticket exchanges can be handled.* All tours will depart from and return to the Downtown Center, 65 East South Water Street. Field trips operate on closely co-ordinated time schedules, and the departure of busses cannot be delayed for late-comers. Comfortable shoes are recommended for all tours. Since program arrangements must be made many months in advance, scheduled events may sometimes be subject to change.
